

**Trust/School Directed Professional Development**

### Overview

As an employee of a Greensand School, you have an entitlement to Professional Development directed by your organisation (School). Professional Development opportunities will be mapped out for the year and will be linked into whole school improvement. Individual professional development can be accessed through the Appraisal Framework and identified areas of employee need.

Effective professional development across the Trust is based on the framework and guiding principles below:

***If you are interested in finding more out about professional development opportunities, please do not hesitate to ask your Line Manager or Headteacher.***
